### In-Person Services

Given the apparent waning of the Delta variant and the decreased case amounts in Cowlitz County, the Reopening Subcommittee met and sent a recommendation to Council that we resume in person services to those who wish to attend. After discussion, it was decided that if numbers continued to improve and Covid precautions remain in place (no singing, shortened service, social distancing, masks being worn, no coffee hour, increased ventilation, temperature checks, etc.) we would resume in person services on October 17<sup>th</sup>. Recognizing that many are still not comfortable with in person services, online church would continue for those who wish to attend that way. Council agreed to watch the numbers and make a final decision at the Council Meeting on October 12<sup>th</sup>.
