Glimmers of Hope and Thanksgiving

May the God of your hope so fill you with all joy and peace in believing (through the experience of your faith) that by the power of the Holy Spirit, you may abound and be overflowing (bubbling over) with hope. Romans 15:13 (AMPC)

This month is Stewardship Month. This is the time we turn in pledge cards. They are really important in helping us to set the budget for next year.

Money is a tricky subject in the church, but as a non-profit, we count on your contributions for, well, everything. From salaries to taxes to electricity to any repair to this building, it all comes from your tithes and offerings. Yet, money remains a taboo subject in any church, but as the concept of tithing has almost disappeared, we have to ask. As we are in the process of selling the upper lot, asking becomes imperative and will remain so as the population of churches is changing.

This brings us back to hope. Hope in the Old Testament meant looking backward and knowing that God has helped you in the past, and so you know that God will help you now. Hope in the Old Testament meant trust in God. Hope in the New Testament means that we point to Jesus in a future not yet seen. *We look not at what can be seen but at what cannot be seen; for what can be seen is temporary, but what cannot be seen is eternal (2 Corinthians 4:18).* Hope in the New Testament means faith in God.

Throughout this month we will be talking about hope and what I call glimmers of hope. Many of the council members and anyone who attended the WELCA conference may already be familiar to what I am going to ask you to do.

I am going to ask you to start writing down the glimmers of hope that you see at Bethany and things about Bethany that you are grateful for. It is important to start cranking the hope gear and get it moving again.

Announcements and Adjournment – Tori Gosch Adjourned at 4:25

In the book "The Hope Quotient" by Ray Johnston, the author says that if you can raise your hope meter by 10%, you can change the outcome of just about anything. You can test the theory on your health, weight, finances, depression level, etc. Ask yourself if your health moved up 10%, would that make a difference? If it moves down 10%, does that make a difference? How about if your weight goes down 10%? Would that make a difference? What if it goes up? Same with finances, same with depression, right? If you move up 10%, you might move above the line of depression, and if you move down, then you will be below it. And certainly, if we raised church finances (at least) by 10%, we would see a difference in the budget.

Sometimes, we think we need to change everything 100% and do it right away, but anyone who has tried to lose weight knows that it is one or two pounds at a time, and that is usually in a week, not in a day.

But still, 10% is not simple either. There is another book called "Atomic Habits" written by James Clear. This book teaches that it is the small habits that we can maintain and commit to propel us forward to achieve different things. Going back to the weight example, losing one or two pounds a week comes from following some kind of plan, making changes in your diet, and exercising more, but those things come from a commitment and finding a plan first-which are the two smaller things that can propel us forward.

I want us to start writing down these glimmers of hope and thanksgiving. Those are our small things...for now. It puts us back into the thinking-forward space of life, and we also stand in recognition of the grace that God has already bestowed on this amazing community. Each person who has entered these doors and each who will come will prayerfully find a community of believers ready to share the hope of Christ through service, prayer, and love. We want to be a church of the future. By the way, every pledge turned in, no matter what amount, is a glimmer of hope for the future of Bethany and something to be grateful for. Thank you for who you are and for all you do. We give God thanks and praise for each day and for the hope of Christ and the promises that we stand upon.

In peace and hope,
Pastor Susan

Ministry of the Month ~

Fish & Youth/Service Committees

"...whoever serves must do so with the strength that God supplies, so that God may be glorified in all things through Jesus Christ." 1 Peter 4:11

Thank you to Pam Van Den Driessche and Shelli Limpach for leading our wonderful Fish program. Did you realize that Bethany has been a part of the program since it started? We are also the only church that ate lunch with our recipients prior to COVID. The many volunteers who work this program and serve so many people in need every 5-6 weeks have been such a blessing. Thank you to all who donate non-perishable food, laundry supplies, personal hygiene and other products, sort and load the materials, as well as give financial support to this great community service!

The Youth and Service Committee is small, but with your help has been able to serve Columbia Heights (Longview), Lexington Elementary (Kelso), Family Promise, United Way Day of Caring, and the Family Community Resource Centers of both Kelso and Longview School Districts. Bob and Pat Reistroffer, Barb Clausen, and Pastor Susan have provided children's interactive events such as Arbor day & Mother's Day gift planting, book fair volunteering, food baskets for families in need at the long vacations, hungry kids supplies and financial support, Christmas gifts for families in need with the giving tree, and more. Members of the committee also get updates on the use of the Hungry Kids grant monies that are distributed to these school partnerships. In addition, this is the committee that supports Pastor with Small Seeds & Sprouts, Vacation Bible School, Confirmation, etc. We also collect labels for Columbia Heights PTO (see the box in the narthex). Without the great support of Bethany members and friends, we would not be able to serve our Lord and his children—thank you!

Children's Sweat Pants Needed

Columbia Heights Elementary School has a call out for children's sweatpants in **medium and large in black, navy, or gray**. When children get wet, have an accident, etc. the change of clothes allows them to stay in school and continue their learning. Please put new or gently used pants in the box lid in the Faith Room on the bookcase, and we will deliver them for you.

HELP WANTED

FISH HOTLINE

Duct Tape Crew

Duct Tape needs you! From dusting, cleaning floors, pulling weeds, and mowing. The Duct Tape crew needs your help. Contact Carol Thompson or show up Thursdays from 9-12. Coffee hour at 10:00.

Communion Preparation People Needed

We are needing some people to help on Sundays with communion preparation. It involves coming early to prepare the bread and the wine and bring it to the sanctuary before service and washing the communion cups after service. We appreciate your help with this important task.

Changing of the Banners

We need a volunteer to change the Sanctuary banners for the Liturgical Seasons. Please see Carol Thompson or Pastor Susan

Kitchen Coordinator Needed

Bethany Lutheran church is in need of a person who would be willing to be in charge of the kitchen for the next year. Duties would include...

- Making sure we have clean towels.
- Contacting Duct Tape if something needs repair.
- Coordinating volunteers for regular kitchen cleaning.

If you are interested in helping in this way, please let a member of Hospitality know.

WHAT? SHARE MY TESTIMONY?

Pastor Susan is looking for people who might be interested in telling their testimonies during worship.

A testimony is basically answering the question: How is God present in your life? For some that is the story of how they came to faith, and for others it is the key moment where they went from knowing God was there somewhere to KNOWING God was there. Please see Pastor Susan if you would like to participate or

Emergency Fund for November

This second-mile giving opportunity is for the Columbia Heights and Lexington Elementary December Food boxes. Prior to COVID, we collected non-perishable food items, purchased the perishable food for Christmas dinners for several families. Now we work with a school counselor who purchases the food and delivers to several families in need. In December we will have the opportunity to provide gifts for the Angel Tree.

Another opportunity to reach out in our greater world is to donate to Lutheran World Relief during this difficult time. LWR is on the ground *both* in Israel and on the Gaza Strip to provide food and medical supplies that are so desperately needed.

To donate to the ER fund this month, please mark in your check memo if it is for Dec. Food for Kids or if it to be sent to Lutheran World Relief on your behalf. (Please remember a small portion of this ER fund also goes into Pastor's discretionary fund to meet other needs.)

Friends of Bethany

If you are a friend of Bethany and are considering the Lord's call for you to become a member, please see Pastor Susan to learn the process either for transfer or to join. We would love to have you become a member and be able to actively be involved in the decision-making in the coming months.

The Lot Update

Three realtors have been selected and at least two are putting in proposals to sell the hillside lot behind the church. The sale will provide us with revenue, the possibility of jump starting a foundation if the congregation decides, and the chance to help our capitol improvement account as the council decides. If you have seen those stakes on the lot, please know they are marking boundaries. Thank you to Harry Blair for finding the markers and answering questions. Randy Grambo, Phyllis Cavens, Harry Blair, Joyce Croy, Pastor Susan, and Barb Clausen are serving on this committee. We have meetings scheduled in November to move forward with this project.

Join us on Fridays online & Sundays following fellowship for a Bible study on the Book of Mark.

The Book of Mark is only 661 verses long and can be read out loud in an hour and a half. Please spend the time to read the chapters of Mark. Make notes of anything that you find interesting and bring those thoughts and questions with you to class. Fridays are on-line only, and Sundays are in person. Bring a Bible, and a curious spirit and we will dive into this short but powerful book.

Treasuring our New Financial Helpers!

Congratulations to Susan Shiu, our new church treasurer! She comes highly qualified as a retired member of the business office in the Longview School District office where she had enormous responsibilities for payroll. Did you know that Susan's father was a former Bethany treasurer? Financial skills run in the family and we are grateful!

With Ginger Garner as our admin. Asst./bookkeeper (tracking/paying bills) and Susan as treasurer (signing checks/monthly reports to council), now we need helpers on the other side of the process. Thank you to Pam Van Den Driessche for continuing as a financial secretary to record offerings and make bank deposits.

If anyone would be willing to join this committee and share the Sundays, please see Barb Clausen so the council could approve the assignment.

Thank you to Carol Lane and Barb Wilson

Carol and Barb have served on the Stewardship team for many years, and have recently stepped down. Thank you for your many years of serving on this important committee. You are very appreciated.

Thank you for the Pastoral Appreciation Month

Thank you for the kind ways you have reached out this month. From the blessing to cards and gifts. I am very grateful to be at Bethany and am thankful for all of you. This is a truly special community. I am blessed.-Pastor Susan
